

17 July 2020

Dear Homeowner

Just a quick check-in. It seems that the freezing temperatures won't give, and frost is still a regular occurrence. With stricter Covid-19 regulations again being implemented please ensure your safety by abiding by the necessary regulations that have been put in place. We've been pretty isolated here in the Platteland however there are unfortunately more and more people in our surrounds that are being infected. To date we know of 3 residents that have informed us of having tested positive for Covid-19. All 3 these residents are fortunately well on their way to recovery.

Estate News

Restaurant closure - Next steps

Due to the regulations that have been placed on the hospitality industry the board has made the decision to close the Restaurant for the foreseeable future. It is just not viable to open the restaurant under the current restrictions.

**Department of
Environmental Affairs**

You might have noticed that The Department of Environmental Affairs has reactivated their program to remove alien invasive species on the estate. As mentioned before this initiative will continue for quite a while and we are grateful to be a beneficiary of this project.

Dam opposite the 8th Green

We want to thank all the volunteers as well as our staff for the tremendous effort that was put in to clean the dam of all the Hyacinth. It is a beautiful asset to the estate which we hope to keep clean going forward.

Information Session

We are planning an information session for Friday 21 August at 18:00 (Please note that this date might change should Government regulations be changed again). Due to the current regulations the Conference Centre will only be able to accommodate 35 people, to ensure social distancing is possible. We will work on a pre-booking basis. Please follow the link to secure your place. An agenda will be sent out prior to the meeting but should you have any burning issues that you would want to be addressed please send your questions or concerns with your pre-booking email.

[Click here to pre-book for Information Session](#)

Stay safe and stay warm
