

Dear Homeowner

6 March 2020

We've had an eventful February with heavy rains, a burnt satellite box, intermittent power and a vandalism incident on the course. March promises to be a good month with lots of events at the Restaurant and on the course. Be sure to support them.

Security

Together with Pieter Nel (Board Member tasked with Security) and Fidelity's regional management we are continually looking at how to improve the current security offering. Lately we've noticed a number of owners who do not close their garages at night and leave bicycles etc in their driveways. Please be attentive towards this. There has also been a couple of incidents where "Visitors" arrived at Residents homes without confirmation from the Resident. This is one of the areas that has been addressed as far as Security is concerned. Please be reminded that no visitor will be granted access to the estate without confirmation from the Resident. All security breaches must please be communicated to the office asap.

Know your Rules:
2.18 Water tanks
Boreholes (See rule 5.2.9) and water tanks are permitted. Water tanks (and all piping) must be screened from the street view unless it is a corrugated water tank in which case the piping should be screened. No tank stands are permitted. Non-compliant owners will be afforded time until 31 August 2020 to become compliant with this particular rule, with the grace period so approved at the July 2019 AGM. Designers shall provide in their initial architecture, provision for the placing of a water tank that is screened from the street view, unless it is a corrugated galvanized tank.

We are geared for a busy couple of months with various Golf days that are coming up.

Incident of vandalism on Course 23/02

There was an incident of Vandalism on the Golf Course where a bakkie was driven over certain greens and fairways which caused some damage. The person responsible for the damage pleaded guilty and apologised. Subsequently he has paid a substantial fine as well as the cost of the repairs. The matter has thus been concluded. The Board would like to reiterate their zero-tolerance towards incidents of these kind.
