January Newsletter

Dear Homeowner

With the festive season now something of the past, we trust that the year ahead provides for many positive challenges and exciting new ventures and opportunities and we would like to wish you all a very prosperous 2020!

We are happy to report that we had no major incidents on the estate during the holidays. The estate is a wave of green after the wonderful rains during December and if you listen carefully you might actually “hear” the grass grow

It was wonderful to see the initiatives taken by residents re the Christmas Service, the Christmas Bus and the New Year’s Party which were all very well supported.

What is happening @ PGCE

Please be vigilant and on the lookout for snakes, a couple of residents have reported snakes in their garages and surrounds.

Wynand 082 629 1553 can be contacted to help with the safe removal of snakes.

Know your Rules:

Although we encourage initiatives by residents it is extremely important to notify the office before things are done to determine the extent and the impact it might have on the surrounds. We have processes in place and therefor urge all residents to first check with the office before going ahead. We are a phone call away.

Operational Rules:

5.1.8 Homeowners are strictly forbidden to remove or prune any trees or indigenous veld that falls outside of their property.

We would like to remind every homeowner whose home is under construction or planning alterations to refresh their memory by having a look at the Operational Rules, the latest version is available on the website, and also available on this link [operational rules version 12.02.pdf](#).

Entrance gates:

The upgrading of the Entrance gates were unfortunately delayed due to the wonderful rains during December. It should however be completed within the next couple of weeks weather permitting.

Boom gates:

There are mixed feelings regarding the Boom gates that were removed. The matter will be looked into again at the next board meeting and feedback will be given.

Free State Senior Open event – 9 & 10 January 2020:

The Tournament was a huge success. The feedback was overwhelmingly positive and I just want to thank all the staff, homeowners, and committee members for their contribution and efforts to make this tournament success.

Regards
Jacques Botes
General Manager
