

5 September 2020

**Dear Homeowner**

"The spring wakes us, nurtures us and revitalizes us. How often does your spring come? If you are a prisoner of the calendar, it comes once a year. If you are creating authentic power, it comes frequently, or very frequently." --Gary Zukavits

**New Director**

Albert Swanepoel owner of stand 2995 has been co-opted by the Board to fill the current vacancy. Albert has had an illustrious career at AMSA and his portfolio includes DRP, Maintenance and Safety. The teams from the department have been doing a great job with the removal of alien invasive species on the estate. 2 Teams are currently working on the estate. We are extremely excited about the final outcome of this project as there are some hidden gems being discovered around the estate. We truly live on a beautiful Island.
