23 July 2021

Dear Homeowner

This being my last newsletter as GM of the Estate allow me to indulge in a bit of reminiscence. I started my tenure at the estate a month before an unsavory AGM where various factions on the estate were vying for change and representation on the Board. The atmosphere on the estate was tense and the finances were extremely tight. There was a messy middle with many differences in opinion which was needed to keep the estate moving in the right direction to where we ultimately are today. Things are a lot more stable financially and many things have been put in place over the last 3 years which bodes well for the future. A huge token of gratitude must go to every board member that has during this last 3 years sacrificially served the estate and its members with countless hours of personal time and expertise given to keep the estate on track and protect all owners' investments. To say that my time here was "maanskyn en rose" would be a lie however I'm a lot wiser and extremely grateful for the opportunity to have been involved at the estate. Some of you guys will miss me a some of you won't I think the feeling is mutual 😊 but on a serious note I wish every resident only the best for the future and may you all strive to live in harmony with each other and realise what a gem this estate is. With Mike Fourie and the current board at the helm and together with the staff this estate will continue taking strides towards reaching its full potential. As I move on to this new challenge as Director of Sport at Potchefstroom Gimnasium, I'm once again reminded of Proverbs 16:9 which states "We can make our plans, but the Lord determines our steps."

God Bless

Jacques Botes

Security

With the recent looting and unrest in the country we as an estate and a town have been fortunate not to have been affected. We do however all need to remain vigilant of our individual and collective security.

Restaurant operating hours

The restaurant relies heavily on the support of our residents and now more than every with all the restrictions that have been imposed. Come have a meal or order your takeaway.

Golf Course

Werner and his team is hard at work and come October the course should be in tip top shape. Please note the course is not to be used as a practice facility by residents. We have a driving range, chipping and putting greens for this.

Walking Trail

A walking trail is being constructed from the 1st T-box to the 2nd Green. There is some amazing scenery to view. Come for a walk and experience it for yourself.

AGM

With the AGM around the corner, we encourage as many owners as possible to attend. Many important matters are discussed, voted on and given feedback about.
